

14th Street to Georgia Avenue

- Short-Term Improvement(s):
 1. Improve signal phasing and timings.
 2. Install broken yellow pavement markings to better define and separate the reverse curve pavement for Missouri Avenue through traffic.
 3. Install “Keep Right” signs on the raised islands.

14th Street to Georgia Avenue

- Long-Term Improvement(s):
 1. Improve geometry for the Missouri Avenue through movement.
 2. Extend the raised median on Missouri Avenue through Colorado Avenue. (Exhibit)
 3. Limit turns at Colorado Avenue to right-in and right-out.
 4. Remove traffic signal at Colorado Avenue.
 5. Construct left turn storage lane for WB traffic at 13th Street.
